SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption programme. You can recognise an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

Information about, rectification and eradication of data

If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data. If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.

If you have raised an objection pursuant to Art. 21 Sect. 1 GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

4. Recording of data on this website

Cookies

Our websites and pages use what the industry refers to as "cookies." Cookies are small text files that do not cause any damage to your device. They are either stored temporarily for the duration of a

session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them or they are automatically eradicated by your web browser. In some cases it is possible that third party cookies are stored on your device once you enter our site (third party cookies). These cookies enable you or us to take advantage of certain services offered by the third party (e.g. cookies for the processing of payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of the cookies (e.g. the shopping cart function or the display of videos). The purpose of other cookies may be the analysis of user patterns or the display of promotional messages. Cookies, which are required for the performance of electronic communication transactions (required cookies) or for the provision of certain functions you want to use (functional cookies, e.g. for the shopping cart function) or those that are necessary for the optimization of the website (e.g. cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6 Sect. 1 lit. f GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of cookies to ensure the technically error free and optimized provision of the operator's services. If your consent to the storage of the cookies has been requested, the respective cookies are stored exclusively on the basis of the consent obtained (Art. 6 Sect. 1 lit. a GDPR); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited. In the event that third party cookies are used or if cookies are used for analytical purposes, we will separately notify you in conjunction with this Data Protection Policy and, if applicable, ask for your consent.

Request by e-mail, telephone or fax

If you contact us by e-mail, telephone or fax, your request, including all resulting personal data (name, request) will be stored and processed by us for the purpose of processing your request. We do not pass these data on without your consent.

These data are processed on the basis of Art. 6 Sect. 1 lit. b GDPR if your inquiry is related to the fulfillment of a contract or is required for the performance of pre-contractual measures. In all other cases, the data are processed on the basis of our legitimate interest in the effective handling of inquiries submitted to us (Art. 6 Sect. 1 lit. f GDPR) or on the basis of your consent (Art. 6 Sect. 1 lit. a GDPR) if it has been obtained. The data sent by you to us via contact requests remain with us until you request us to delete, revoke your consent to the storage or the purpose for the data storage lapses (e.g. after completion of your request). If you visit one of the pages on our website into which a Vimeo plug-in has been integrated, a connection to Vimeo's servers will be established. The use of Vimeo is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6 Sect. 1 lit. f GDPR, this is a legitimate interest. If a corresponding agreement has been requested, the processing takes place exclusively on the basis of Art. 6 para. 1 lit. a GDPR; the agreement can be revoked at any time.
